Notes from the Editor:

About the cover: The original of this amazing drawing/ideogram is to be found on the west wall of the editor’s apartment. It was drawn there during Mr. Sanders’ famous 1961-62 New Year’s Eve party by the very clerical hand of the Most Reverend & Right Honorable Michael Augustine Itkin, D.D., Ph.D., D.Sc., etc., Catholicos-Patriarch of the Western Orthodox Free Apostolic Communion (Glastonbury/English Gnostic Transylvanian Rite) of the Old Catholic Church, Archbishop-Primate of New York and Philadelphia—Presiding Bishop and Primus inter Pares Old Catholic Episcopal Synod. (for those of you who don’t know the Reverend Itkin, he really exists!)

Threatened for some future issue: A crotch-poem from Art Harvey/—- It’s coming! Bigger than life! The “famous dialogue between two well-known faggot pacificists” which has created more metaphysical hysteria among the gay pacificists than a war. Watch for this gay exchange in issue 4 or 5/—- There will be only two (2) more issues of Fuck You—a magazine of the arts, your friendly magazine—full of sex, lust, pecker-tracks and art/—- A flying fuck with a rolling do-nut to Art Harvey for his inaccurate faggoty article in the recent Peacemaker about the Nashville-Washington Walk for Peace. Harvey is a blatant nignog and it is the wish of the editor and the entire Editorial Board of Fuck You—a magazine of the arts that Artie the Fairy refrain from fouling up any future action for peace projects and confine his activities to luring a certain young lady pacifist to his New Hampshire pad/—- In some future issue perhaps we shall reveal the names of the up-to-now nebulous Editorial Board of Fuck You—a magazine of the arts, that scandalous crew of non-violent terrorists. The big question you should ask yourself is: are YOU on the editorial board of this magazine?—- There has been a lot of bitching from the Peace Hierarchy about the use of the nuclear disarmament symbol in Fuck You/ You know, the Howl.

Dare you scene. If that pissed them off, they should have seen what the symbol would have looked like if (as originally planned) we had dangled a couple of gonads off the bottom of the circle/—-

PENNY X

CROTCH-POEM

EDITORS NOTE: PENNY ANN X HAS SCORED A BREATHER IN IDEOGRAPHIC POETRY. THIS CROTCH-PLEX IS AN EXACT REPLICA OF A VAGINAL SMEAR CREATED BY HER ON A POROUS CLOTH (NOW IN EDITORS POSSESSION) DURING THE EARLY MORNING HOURS OF MARCH 16, 1962. PHYSICALLY, IT REPRESENTS A PREORGASMIC DISCHARGE OF THE PURIST TYPE. PHILOSOHICALY, IT IS A DEPICTION OF THE LIGHTEST FORM OF POST-JURISTIC LOVE ETHIC, WITH THE LATEST FOAM DIAPHRAGM & SEX TECHNIQUE TO BOOT.
AL FOWLER

POEMS, WARGASMS, HYMNS TO YOUNG MEN AND WOMEN.

RIVER POEM

senile river,
floor littered
with aeons of pointless garbage
slender frameworks of beast
granite leftovers from
a mountain eaten during the mesozoic,
in lusty banquet of your middle age.
let it be said you are less than the
least silence
of any entranced youngster,
who gulps a nascent universe
with each unlikely breath.

EDITOR'S NOTE--WE DETECT SOME GIBBER METAPHORS
IN THIS POEM.

POEM

i am evangelist of sense
during the young from classrooms
with a hint of total vision outside reality.
revolutionary songs shouted thru amazed cellblocks
intimations of divinity
in pacifist hashish rituals
god in teaspoons!

essence of christ in
stark hallucinations
that leave the actual forever suspect
anyway irrelevant.
radiations of disembodied love
actually visible
& forever tenant
in the blurred self.
TMAT

HEY, uptown girl
green eyelids & brown puff of conquered hair
absurd pubescent knees peeking under
skirt.
scared highschool eyes boreing
thru pigment.
sophistication etched on your mouth
bulbs of future breast
tense, plumpness of snatch silky
you murder your intense
moment of colossal youth
bewildered newness
cowers to extinction.

ECCD FUEE

CHILD, growing into youngness
more female than
any warmest woman
all the exact requisite
gentle qualities
eyes so fully shy
they swallow me
& the sure
spiritual motions
& the intuitive
wisdom
& flowering tenderness
of sensual question
compassionate skin of cosmos
your being pumps
triumphant
thru my buckling veins.

SCHOOLGIRL

hair a fragrant nimbus,
softness of eyes puzzled,
quivering with shy youth,
the improbable
body
twelve years from
uterus
leans over
stark algebra.

EDITOR’S NOTE: UPON CONVERSATION WITH THE AUTHOR IT BECOMES EVIDENT THAT THE OBJECT OF THIS POEM’S FREAK SPRAY IS A 10-11 YEAR OLD PUERTO RICAN CHICK WHO STROLLS 9TH ST & AVE C, LOWER EAST SIDE, USA.

of the trembly sheep

the cunt warm

offered by the lamb

which is surely the

lamb of god, the

lamb of the Trembling Flank;

& the bucking & signing

when the prick sputs

the hot come

into loins

& the lamb looks back

with her eye

& glazes me

in the freak-beams

& we are oily & atremble

---Song of the Blood Munchers---

We are those
gone GA-GA
in infinity,
we are the
laughing children
in the MEAT MARKET,
we are the soft,
the organized cowards,
ours was the Lamb.
Meat varies
but BLOOD is BLOOD.
Blood love is our love &
over the market place
& the KILL CULTS beyond
among the Machinery,
our hearts beat even faster
& our blood
gives satiety
in moments
to the GORRILING LIPS.

---Song of the Bull Dyke---
(the Banana Harness Blues)

That our hunger
give us forth from war
to DESIRE & FULFILLMENT,

thus sung
the Dyke:

o
twang my banana
in infinity,
Give me the harness
o Dark Banana God,
o hang over us
heavy in banana,
o we are
dark with war,
ply over ply
forever the banners wave,
& the Hate & Kill
seem eternal
in
the Basilica
of the Dark Banana Belt.
o set us free
from the Munchers
of the blood
o Lake
and the Torrent out of Lake
---Song of the Eye-Heart-Mind---

our minds float
before us

to the Eye of crystal,
to the clear Eye
as crystal,
with the Eye
frosted free
out of the Hatred,

That ☝️ the Boat move
onward ✈️ to the Eye,
& our Brains be
jammed full
of cosmo-putty
in the sharp clack
of Hate Flaps, &

No eye likened
to Peace
EYE

FOR never
never such intensity
in Desire & Fulfillment

as in th'
EYE.

Own in the Kosmos,
Death Pinks over the Petal River,

Deep deep
na the light flood
out of sun

& we to have been
Brain Glints
in the swill of the
coursing Barque

and we shall have seen
as broken down
the hate-clumps
under the rainbow
of nonviolence

& we shall have gone
under the Ra-waves

& we shall 've foot-bathed
in the calm
waters of the
universe
& we are those too
jacked alive
in a cosmic
hand-hunch

flowers in the rays
of nonviolence

yr Mind
among the
twisting bodies
shall be as a
clover flower
above radiance....

Born to Nirvana,
Blessed in the Sacred Fount,
Lost in the Burning Bush,
Swooned up out of the ground
to enter Heaven,
Spun out of the thighs
to Laughing Lake,
yes, now,
we,
no shades more,
& our eyes enkindled,
out of Darkness,
in the Torrent,
Petal Torrent;

and out to Peace Eye;

can we
reiterate enough
that the Eye

Transcending all
Crotch Lake,
forth-drawing the Brain Pinks
in a glint of Death Barques,
in the Deep River
as crystal, &

Time Blossom
sheds Petals
in the

Brain Torrent.

(Apr27-May7-62, Nashville-Wash DC Walk for Peace)
a great canticle of relief
scribbled in drunken know
when the undulating entity
leaves waves of smile
world has no-bomb
old testaments fulfilled
full of armies and battles
Covenants to be new
till the fist born Come of god
released on a donkey's ass
rides thru my apartment
trouncing on my genital
making it weep child or hope
glow in my underwear carries to skull
where eyes are warm
cars are pierced by angels
who crush the head with pencil
southern magnetic poles call
while the fart goes off up North
the daisy-chain is always
even after
although words lie
bed sheets are wet with stain
cf Joy flash of god
revolutions knocking at the door
conspiracies in the bedrooms
700 miles away loves falsify
dig your Juice weight
while lonely sleep
new constitutions are written
no more bombs
dont tell the children
it'll be a lie
put them in bed

Zoom the mighty wall
Zoom ye genital of magic

A Bouquet of Fuck yours

It never fails to amaze the editorial staff of Fuck you! a magazine of the arts that some of the festering pretzels of art & corruption which have been under our skirt nonviolent scapul for the past two issues are beginning to emerge from their dank holes figuring our blades to be slippery-scald & dulled at last! well, Herbie, i've got news for you!

Fuck you to Art Harvey - well known s.o.b. sister & overall ass-wipe of the peace movement / the Nashville walk is putting your recent journalistic gem to good use in the water closet, you tend/

Fuck you to all com-symp's & she's - Kopflen with emotional attachments to the Outer Mongolian Peoples' Republic / vacant-minded exchanges of one fucking tyranny for another!

Fuck you to George Lincoln Rockwell & all his dirty wee Nazis -- sick little rodent-eyed mongols picking around the feet of man! /

Fuck you to NIC-NO65 one and all - malodored slime of the theodic sperm-spew -- defecated excrement of the cosmic fecal muck -- blind and effulgressedly leaping a fetid rivulet rather than the life-flow of being! /**

EDITOR'S NOTES: * GEORGE FURGE AND HIS CONSTIPATED QUARTET COUNTERCOUNTERPARTED THE 500 MILE PEACE WALK
MR LARK WAS RECENTLY ON AND THAT PISSED HIM OFF.

All armies are assinine
Bomb's break bums
Can Corvairs copulate?
Definite dangers demand: DEATH!
Every emission elicits 'creditary errors
Four Flying Fortresses fondly felled four fellow

God gave gangsters guns?
High explosives help hucksters
In Iceland injury is inexpensive
Jagged jugulars jet juices
Kill comfortably; (Kash or Kredit)
Lousy lovers like lynching
Missile makers madly make merry missiles
Now! new nuisances needed!
Over Ohio orbited officers ordered omelettes!
Pray pilot, prithee propagate pain?
Quality quicksand quickly quiets quailish Quakers
Rabid rockets riot recklessly
Some sheriffs say: Shoot sandwiches!
Terror titillates tortured tots
U understand U-2?
Very valiant vets vaguely vie Wednesdays
We walk wildly when weapons wound
Xenophon xylographed Xerxes: Xtraordinary!!
X-Bomb Xploited!
Yesterday Yehovah yelled: Jesuus, you yellow!

6996th PSALM

Blessed be the hand that plays with my cock
And the fingers thereof
For they shall rest upon my soft balls
And know the velvet thereof

Neither shall any erection be wanting
Neither upon my Tower of David
Nor upon thy ruby nipples
The two fawns, twins of the roe
Which feed among thy titties.

I causeth thee to lie down in green pastures
& protecteth thee from the false lust of the vice cops
I buildeth a tent of satisfaction over thee
& preparest a bed for thee in the midst of the WCTU

(cont)
I anointest thy mouth with sperm
Thy vagina runneth over

Yea tho I walk in the valley of thy cunt
Ye shall know no fear
For my rod and cock shall comfort thee.
Forever and ever
ah men!
